

**PotashCorp**, the world's largest crop nutrient company plays an integral role in global food production. The company produces the three essential nutrients required to help farmers grow healthier, more abundant crops. With global population rising and diets improving in developing countries, crop nutrients such as potash, phosphates and nitrogen offer a responsible and practical solution to help produce the food we need, from the land we have.

The following temporary employment opportunity is intended to introduce a voluntary self-identified Aboriginal student or recent graduate to this job category at PotashCorp, and is offered in addition to other summer employment and term opportunities.

The company has a career opportunity for qualified applicants at PotashCorp – New Brunswick Division, located 10 km east of Sussex, New Brunswick.

### **Engineering Summer Student**

The successful applicant will be expected to assist the Engineering group in the creation and modification of engineering drawings and with maintenance planning and scheduling responsibilities. The candidate must have previous drafting experience and/or training and be competent in AutoCAD. Experience in Solidworks would be an asset.

Preferred candidates must have completed a minimum of one year of an Engineering Program at the Community College or University level. An understanding of materials, machine design and fabrication techniques along with experience in word processing and spreadsheet programs are desired.

This temporary role is a full-time position anticipated between May 2016 and August 2016.

The successful candidate may be required to undergo a background check. All safety sensitive positions require a substance test in accordance with PotashCorp policy.

PotashCorp offers competitive compensation and benefits programs. We are a dynamic company, offering new opportunities to motivated, hard-working and energetic employees. Interested candidates should submit resumes in confidence by **January 4, 2016** to:

**PotashCorp- New Brunswick**
